

Rectangular Flush Wood Plus Cheat Sheet

The Rectangular Flush Wood Plus has several unique features and characteristics that require special attention during installation and set-up. Refer to the owner's manual for full details.

- **This insert uses new, one-piece surround panels ONLY (old panels will not work)**
This insert uses the following one-piece panels. These panels are flat, and lay flat against the facing of the fireplace.

	Height	Width
Small (96100212)	30-1/2"	42"
Large (96100215)	34"	44"

- **This insert works in zero-clearance (metal fireplaces)** Unlike the Flush Wood, this fireplace insert works in zero-clearance fireplaces. See the manual for details on installation.
- **This insert uses new faces (old faces will not work)**
This insert uses new faces. Check your price list for details.
- **This insert uses a single door for easier, one-handed, operation**
New door design simplifies loading and allows for quicker firebox access.
- **Insert has a smaller depth (19" vs. 20-1/2") than the Flush Wood**
This insert has been revised to allow for installation in more fireplaces. See the manual for complete details.
- **Ash Guard**
The included ash guard prevents ash from exiting the door opening. It is shipped detached to prevent damage during shipping.

Install the ash guard as shown below.

Note how the horizontal tab fits in front of the door opening.
